

WISE PRE-K Parent Newsletter-December 2020

Happy Holidays!

The last day for Pre-K attendance this semester will be December 16, 2020. Students will return following the holidays on January 6, 2021. We wish our students and their families a safe and wonderful holiday season.

Coats, Jackets and Sweaters

Baby, it's cold outside...so please send your child with weather appropriate outerwear. It will also be helpful to write your child's name inside of layered clothing or items that may be removed when inside the building. If your child's clothing is not returned home at the end of the day, please contact your child's teacher immediately.

Returning to School in January

It can be like starting all over again when Pre-K children return to school after the winter holiday. Here are a few tips to help you and your child make the transition back:

1. Keep the same bedtime routine and sleep/wake times as much as possible.
2. Limit screen time, just like you would during the school week.
3. Plan educational opportunities, read to your child, count, sing the alphabet or holiday songs together (see the lyrics to Jingle Bells attached), color, paint or draw.
4. Speak positively to your child about returning to school in January, there will be new and exciting things to learn in the 2nd half of the school year.

5. Get up a little early on the first day back so that you and your child can ease into the day and not feel rushed.
