THE WISE MOSAIC

WELCOME BACK!

We did it! We are all back at school and busy getting up to speed. All summer long we planned for the return of our students and we are so happy that you are finally here. We appreciate you following our COVID-19 procedures to keep everyone safe. This was a really great start to an EPIC year. We are currently ironing out any schedule issues we may have. Mrs. Varnum will meet with 9-12th grade students individually to discuss their graduation plans during the next few weeks. We are happy to have our ILDA students working online. If you have questions regarding the ILDA program, please contact Mr. Riley at Jeffery.riley@walton.k12.fl.us.

Cell Phone Reminder

Parents students should not be calling you during the day from their cell phone. It should be locked in their cell phone locker. If your child needs to call you during the school day, they have access to a school phone. If you need to get a message to your child during the day, you may call the school at 892-1111. Students who do not lock their phone in their locker or use a 2nd phone during the day, will be written up. This is a violation of our school rules.
