TRICK OR TREATING WITH WISE

Parents you should have received a permission slip for your child to participate in our annual Trick or Treating walk-about. There was an error on the permission form. Unfortunately, due to COVID-19 restrictions parents will not be able to join us for this event on October 29th. Students will be escorted by faculty and staff to Stanley House for Trunk or Treat in the parking lot at Stanley House. COVID-19 distancing will be followed as a safety precaution. School officials and Stanley House Management have partnered to make this event fun for our Pre-K students. We appreciate the time and effort from our friends at Stanley House. Please refer to the permission slip for all other information.
